- Schlueter: Wondering about funding from the State for items needed by the Police Department. Lawn abatement – we should consider giving notices.
- Kirby: Pleased with how fast the construction project is moving along. Thank you to residents for their patience. Thank you to those working on items related to the Community Center.
- Sullivan: RPAC meeting on Tuesday. What is the access for businesses along CSAH 22?
- Krogmann: Most recent Airport Commission meeting cancelled.
- Kruggel: We closed on the property near the airport and the City is now the owner. There is currently a bid posting out for the garage on the airport property. Kingsway is being used as a detour and please don't speed while using this road. The Community Center is an ongoing discussion.
- Favolise: RPAC – not a whole lot going on. There have been discussions about the Community Center and budgeting. Consider having the Community Garden fall under RPAC. Fielding questions about grass after CenterPoint Energy work.
