Le Sueur Living

Fall Clean-Up and Compost Site Reminders

**COMPOST:
NATURE'S
WAY OF
RECYCLING**

The fall season is upon us! We hope you can spend time outdoors and enjoy the beautiful colors and weather. Leaves will soon be falling and we

want to remind you about how to best dispose of them. We ask that you do not rake leaves into the gutter, but take them to our compost site. The City does not have curbside pickup of leaves and brush.

The City of Le Sueur Compost Site is open to the citizens of the City. The compost site is located off of Water Street, at the west end of town. We accept lawn grass, leaves, branches and small quantities of dirt. We do not accept lumber (processed wood), plastic bags, construction material, cement, household trash, electronic equipment or appliances. There is a \$1,000.00 fine if caught dumping these items. A full list of compost rules are posted at the entrance to the site.

RESERVE A RIDE**

October is National Fire Prevention Month

The Le Sueur Fire Department wants to make sure your family is prepared for a fire emergency. Please change batteries and check smoke detectors in your homes monthly, review your family's fire escape plan and talk to your children about the danger of playing with matches. Fire Department volunteers will perform smoke detector testing in apartment buildings on Tuesday, October 13th starting at 6:30pm.

Members Needed for City of Le Sueur Boards & Commissions

The City has a variety of boards and commissions that offer an excellent opportunity for individuals to volunteer their services on significant matters. Boards and commissions are generally advisory, and in all cases members' contributions are invaluable to the Mayor, the City Council and the City. We are looking for individuals to serve on the: Airport Commission, Board of Zoning Adjustments, Economic Development Authority and Planning Commission.

Applications are now being accepted. Visit the City's web site at www.cityoflesueur.com for more information and to fill out an application.
