

MARCH 2016

Le Sueur Living

COMPREHENSIVE PLAN UPDATE

The City of Le Sueur has begun the process of updating our Comprehensive Plan; a long-range plan that will help define and guide the future of YOUR community. It is an expression of the community's vision for the future and a strategy to reach that vision. The City last prepared a Comprehensive Plan in 1965 and it is time to take a fresh look!

Public Participation is KEY!

A key part of the comprehensive planning process is engaging the community in a dialogue about the future and enabling our residents to weigh-in on future directions. On February 25th, residents packed the Fire Hall to discuss our City today and envision Le Sueur in the future. The energy in the room was tangible. Thank you so much to those who attended (photos below)!

There is still an opportunity to share your suggestions about Le Sueur's future. Visit our website at: www.cityoflesueur.com for a link to our Visioning survey. Here, you will have an opportunity to share your thoughts. Visit our website often for updates on the Comprehensive Plan Process!

Help us envision Le Sueur in the future!
MOVING FORWARD.....LE SUEUR 2036

Le Sueur Retail & Business Expo
Thursday, March 31
ValleyGreen
Square Mall
3:00 p.m. – 8:00 p.m.

DID YOU KNOW THE CITY OF LE SUEUR ELECTRIC DEPARTMENT OFFERS REBATES?

Some of the largest consumers of energy are the appliances we use everyday.

Lighting is typically the second biggest user of electricity in American homes and installing energy-efficient lighting is one of the easiest and most affordable ways to save money and reduce your energy use. When you purchase qualifying energy-efficient products for your home, you can benefit not only from the energy savings but rebate dollars too.

Our electric utility offers rebates to residential customers who purchase and install new, Energy Star® appliances and lighting. Funding for rebates is limited and available on a first-come, first-served basis.

To access our forms, visit: www.cityoflesueur.com/176/Rebates. They are also available in our office located at 505 Boright St. If you have any questions, please call the Electric department office at (507) 665-3338.

AARP Tax Help

Tax help is available through Community Education to local senior citizens and those with low incomes. Tax returns must be simple (no businesses or farm taxes).
