# Le Sueur Living

## Intercity Bus Service Survey from MnDOT

The City of Le Sueur is partnering with MnDOT and other local organizations to analyze bus connections and study the potential for expanded bus service on Highway 169 between Mankato and the Twin Cities. Goals of an intercity bus service would include; regular schedules with limited stops, fixed routes connecting two or more areas, tying into local and regional bus services and more.

Your input matters in this long-range planning study. A link to the survey can be found on the City of Le Sueur's homepage at: [www.cityoflesueur.com](http://www.cityoflesueur.com). Survey participants will be entered into a drawing for a \$25 Visa gift from MnDOT.

More information about the study is available on MnDOT's website: [www.dot.state.mn.us/d7/projects/hwy169study/](http://www.dot.state.mn.us/d7/projects/hwy169study/).

## FIREFIGHTER OF THE YEAR - SHANE MEYER

Congratulations to Shane Meyer for receiving this year's Le Sueur Firefighter of the Year award. Shane is involved in eight different committees and has been a member of the Le Sueur Fire Department since 2001. This is the third time he has received this award.

The Le Sueur Fire Department award has been in place since 1988. This honor is based off of a point system that covers 5 different categories: training, department jobs and responsibilities, special event committees, overall dependability and cooperation and state school (additional training).

Thank you, Shane, and all the members of our hometown fire department for your commitment to the Le Sueur Fire Department, the City of Le Sueur and to our community.
