

Le Sueur Living

Refuse/Recycling

The snow has begun, which leaves less space to properly place our bins. As a reminder, bins must be two (2) feet from any other object (i.e. mailbox, another bin, garage, etc.). Waste Management drivers need enough space for the claw to grab and set down any garbage or recycling bins.

Does that plastic lunch container still have yesterday's pizza in it? Don't recycle it until it's clean! One dirty product, or one with food waste still in it, can contaminate an entire bale, containing thousands of pounds of collected plastics. This can cause thousands of recyclable items to go to a landfill instead of being recycled. Clean recyclables are essential!

If you have any refuse or recycling questions, please contact Kaari at City Hall, at ksmith@cityoflesueur.com or (507) 593-8310

We appreciate all you can do to make trash day safe and successful!

Utility Rate Updates

Effective January 1, 2019, utility rates will increase. These changes were reviewed by the Council Personnel and Budget Committee and presented and approved by City Council on December 10th.

Below, is a table outlining increases:

	2018	2019	Change
Refuse (96 Gallons)	\$24.70	\$26.03	\$1.33
Water (3,700 Gallons)	\$22.95	\$29.80	\$6.85
Sanitary (3,700 Gallons)	\$72.80	\$69.95	(\$2.85)
Electric (450kWh)	\$56.06	\$56.17	\$0.11
Stormwater	\$5.25	\$6.00	\$0.75

To calculate your specific increase, we have created a utility bill calculator on our website. Type in "Utility Bill Calculator" in the search box on our homepage: www.cityoflesueur.com.

Questions? Please call City Hall at (507) 665-6401.

It contains a fitness training area, meeting rooms, indoor pool (access to the Aqua Valley pool, ice arena, sport gymnasium, and racquetball courts. Be sure to check out our Facebook page (Le Sueur Recreation & LSH Community Education) for new class offerings too!

Electric Utility Rebates Available for 2019

Lighting and appliances use a lot of energy in our households, especially if you have old appliances. Installing energy-efficient lighting is one of the easiest and most affordable ways to save money and reduce your energy use. When you purchase qualifying energy-efficient products for your home, you can benefit not only from the energy savings but possible rebates too.

Our electric utility offers rebates to residential customers who purchase and install new, Energy Star® appliances and lighting. Funding for rebates is limited and available on a first-come, first-served basis. New rebates will be available mid-January. To access our forms, visit: www.cityoflesueur.com/176/Rebates. They are also available at the Electric Department office located at 505 Boright St.

If you have any questions, please call our office at (507) 665-3338.
