## October is Fire Prevention Month!

The Le Sueur Fire Department wants to make sure your family is prepared in a fire emergency.

Please change batteries and check smoke detectors in your homes (and businesses) monthly, review your family's fire escape plan, and talk to your children about the danger of playing with matches. In recognition of fire prevention month, Le Sueur Fire Department volunteers will visit with area students to remind them about fire safety.

## Halloween Safety Tips from the Le Sueur Police Department

- Cross the street at corners and use crosswalks.
- Look left, right, and left again when crossing and keep looking as you cross.
- Put electronic devices down and keep heads up and walk, don't run, across the street.
- Trick-or-Treat with an adult. Children under 12 should have supervision. If kids are mature enough to be without supervision, they should stick to familiar areas that are well lit and trick-or-treat in groups.
- Decorate costumes and bags with reflective tape or stickers and, if possible, choose light colors.

**Wishing you all a fun and safe Halloween!**
