NOTES TO APPLICANT
<ul style="list-style-type: none"> This application requires review and approval from the Le Sueur Police Department prior to Council approval to ensure public safety measures are being met. Approved applicants are responsible for additional refuse and/or recycling containers and removal following the event. Approved applicants are responsible for removing debris from the roadway and walkway areas following the event. Approved applicants are responsible for accessory items, including, but not limited to tables, chairs, stages, etc. The City of Le Sueur will leave road closure materials on a regular working day before the event, and pick-up on the first regular working day following the event. Applicants are responsible for setting road closure materials in place during the approved time and setting back after the event. Layout of outlet locations and sizing attached.

I hereby certify that I have read and examined this application and all statements are true and correct. All provisions of laws and governing ordinances will be complied with whether specified herein or not.
