TO: Mayor and City Council  
FROM: Ryan Graff, Finance Director  
SUBJECT: Public Hearing – Delinquent Accounts  
DATE: For the City Council meeting of Monday, September 12, 2022

---

**PURPOSE/ACTION REQUESTED**

Call a public hearing related to delinquent accounts owed to the City of Le Sueur.

**SUMMARY**

Annually, the City of Le Sueur sends out letters to delinquent utility account holders. Earlier this month, City staff sent out 441 letters, totaling \$ 481,337.68 in delinquent balances.

The public hearing for delinquent accounts is intended to allow account holders to address City Council related to their delinquent accounts. City Council has the authority to direct staff on how to handle specific accounts.

City staff work diligently to provide utility account holders with access to budget billing, educate property owners on conservation opportunities, and provide information on utility assistance programs. It is not uncommon for staff to sit with property owners and assist in the completion of applications for various assistance programs.

The proposed hearing would be held at the regular City Council meeting on October 10, 2022, with final certification of accounts included on the November 14, 2022 regular City Council meeting.

**PURPOSE/ACTION REQUESTED**

Staff recommends that City Council hold a public hearing on delinquent accounts at the October 10, 2022 City Council meeting, and that Council direct staff to bring the final certification to the City Council meeting on November 14, 2022.
